THINGS TO DO

Many sports on the beach and at the sea

The sandy shore is the ideal place to practice sports like beach volley, windsurf, sail, open air fitness, to play with kids in the playgrounds or simply relax under the sun and go for a walk. We recommend two important sports organizations. Water Sport Centre is the right place for those who wants to try every type of emotion on the sea. Wake Board, Kite Surf, Canoa, Stand up Paddle, Surf, Skimboard, Catamaran, Windsurf, Tube or Banana Boat. Moreover, the Sailing Centre SunandSea is on the west side of Jesolo beach and it is the ideal place to practice sports such as sail, windsurf, stand up paddle, surf. It also offers various level sailing courses on centerboards and catamaran, basic courses of windsurf and sup lessons.

A TASTE OF JESOLO

Tiramisù

Dish made in the aftermath of the Second World War whose name (pick me up) refers to the calorie content.

600 g mascarpone; 300 g sugar; 6 egg yolks; ladyfingers; cold unsweetened coffee; unsweetened cocoa (to taste)

Beat the egg yolks well. Mix the mascarpone and sugar and add the mixture to the egg yolks to obtain a thick, smooth mixture. Soak the ladyfingers in the coffee and arrange them in a dish (oven dish/glass) and cover them with the cream. Continue arranging alternating layers until the cream is finished. On the las layer, which should be the cream, dust with cocoa and refrigerate for a couple of hours.

The outstanding cycle track is the last leg of the Munich-Venice road and goes through picturesque landscapes featuring abundant flora and fauna. At about 4 p.m. a bus will take us back to Jesolo Paese town hall and we will be in Jesolo by 5 p.m.
