Are you interested in learning more about our habits and culture? Are you curious about local traditions? Enjoy a funny and practical class at the local market of Jesolo to learn many simple phrases that will allow you to buy typical products during your stay. The meeting point is in the center of Jesolo: we will have an introductory lesson of about one hour in the classroom, then we will walk to the market, where you will practice the language among the stands. At the end of the lesson you will get a certificate of participation. This tour can be bought at the front office of the Tourist Info at € 37 for adults and € 30 for underage (the price includes lesson + teaching material + certificate of participation).

DID YOU KNOW?

Above the bridge, flies...

A Blue Flag, for the quality of the sea. And a Green Flag, for being a special destination for children and youngsters. Two flags, two recognitions, one resort, Jesolo, always paying close attention to its guests, starting from the youngest among them. The resort has received the International Blue Flag award 15 times, in recognition of its compliance with all environmental requirements along its 15 km of coastline, from one river mouth to another, between the Piave and the Sile. For the last five years, Italian Paediatricians have also awarded Jesolo the Green Flag, in recognition of its suitability for children and youngsters (for the characteristics of its beach and dedicated services). Two flags, one excellent resort, Jesolo.

The great Egypt on show in Jesolo

In the exhibition "Egypt. Gods, Pharaohs, Men" inaugurated last December at Space Aquileia 123 (near Brescia Square), there're valuable artefacts of great historical significance such as a precious roll of papyrus from the Egyptian Museum of Cairo, on display for the first time in Italy, together with other objects coming from the most important national and international collections. These findings are illustrated and valorized by new and engaging narrative modes. The exhibition also offers educational workshops for different levels of school and age dedicated to schools and families.

A TASTE OF JESOLO

Sardèe in saór

"Un poche de sardelle vorria mandar a tor, per cusinarle subito, e metterle in saor." In his novel "Le donne de casa soa" Carlo Goldoni talked about this dish, that was traditionally eaten by Venetian families on boats during the Festival of the Redeemer. 400 g sardines; 80 g flour; 40 g pine nuts; 800 g onion; 40 g sultanas; 300 g seed oil; 200 ml white wine vinegar; 80ml white wine.

Cook the onion on a low heat for about 40 minutes and wet with vinegar and white wine; add the sultanas and pine nuts. Remove the head and bones of the sardines, coat them in flour and fry in plenty of oil. Arrange layers of sardines alternating with layers of saor. Leave to marinate for at least 24 hours in a cool place.
