## DO NOT MISS

### Historical Regatta

Spectacular and picturesque, every year, the Regata Storica of Venice will be raced on Sunday, 6. September. Ever since the times of the Most Serene Republic, this procession has been held to celebrate military victories and pay tribute to foreign dignitaries. Today the most suggestive part of the event is certainly the procession that proceeds along Canal Grande, the most important waterway of Venice. Equally exciting is the competition between the great rowing champions. In fact the Historical Regatta is the main event on the annual calendar of the Voga alla Veneta competitions. It is the only discipline of its kind in the world and for millennia it was practiced in the Venice lagoon. The most famous and exciting is the Regatta of the super champions on gondolini. The Regatta starts at 4.30 p.m.
